

**Prostate-Specific Antigen / PSA (KLK3) Antibody**

Catalogue No.:abx013184

Western blot analysis of extracts from mouse heart, using Prostate-specific Antigen antibody (abx013184).

Immunohistochemical analysis of paraffin-embedded human prostate carcinoma tissue using Prostate-specific Antigen antibody (abx013184).

Rabbit polyclonal antibody against Prostate-Specific Antigen protein. Immunogen region is Internal.

|                               |                                                                                                                               |
|-------------------------------|-------------------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Prostate-Specific Antigen / PSA (KLK3)                                                                                        |
| <b>Research Area:</b>         | Tumour Immunity, Reproductive Science                                                                                         |
| <b>Clonality:</b>             | Polyclonal                                                                                                                    |
| <b>Reactivity:</b>            | Human                                                                                                                         |
| <b>Tested Applications:</b>   | ELISA, WB, IHC                                                                                                                |
| <b>Host:</b>                  | Rabbit                                                                                                                        |
| <b>Recommended dilutions:</b> | WB: 1/500 - 1/3000, IHC: 1/50 - 1/100, ELISA: 1/20000. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                                                                                  |
| <b>Immunogen:</b>             | The antiserum was produced against synthesized peptide derived from internal of human prostate-specific Antigen.              |
| <b>Isotype:</b>               | IgG                                                                                                                           |
| <b>Form:</b>                  | Liquid                                                                                                                        |
