

# Distal-Less Homeobox 5 (DLX5) Antibody

Catalogue No.:abx013545

Western blot analysis of extracts from HeLa cells, 293 cells and COLO205 cells, using DLX5 antibody.

Immunohistochemistry analysis of paraffin-embedded human lung carcinoma tissue using DLX5 antibody.

Rabbit polyclonal antibody against DLX5 protein. Immunogen region is Internal.

|                               |                                                                                                                               |
|-------------------------------|-------------------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Distal-Less Homeobox 5 (DLX5)                                                                                                 |
| <b>Clonality:</b>             | Polyclonal                                                                                                                    |
| <b>Reactivity:</b>            | Human, Mouse, Rat                                                                                                             |
| <b>Tested Applications:</b>   | ELISA, WB, IHC                                                                                                                |
| <b>Host:</b>                  | Rabbit                                                                                                                        |
| <b>Recommended dilutions:</b> | WB: 1/500 - 1/3000, IHC: 1/50 - 1/100, ELISA: 1/40000. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                                                                                  |
| <b>Immunogen:</b>             | The antiserum was produced against synthesized peptide derived from internal of human DLX5.                                   |
| <b>Isotype:</b>               | IgG                                                                                                                           |
| <b>Form:</b>                  | Liquid                                                                                                                        |
| <b>Purification:</b>          | Purified from rabbit antiserum by affinity chromatography using epitope-specific immunogen.                                   |
