

## Claudin 6 (CLDN6) Antibody

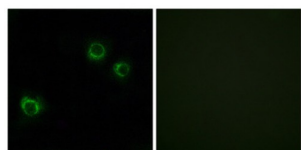

Catalogue No.: abx014371

Western blot analysis of extracts from Jurkat cells, using CLDN6 antibody.

Immunohistochemistry analysis of paraffin-embedded human ovary tissue using CLDN6 antibody.

Immunofluorescence analysis of HUVEC cells, using CLDN6 antibody.

Rabbit polyclonal antibody against CLDN6 protein. Immunogen region is Internal.

**Target:** Claudin 6 (CLDN6)

**Clonality:** Polyclonal

**Reactivity:** Human

**Tested Applications:** ELISA, WB, IHC, IF/ICC

**Host:** Rabbit

**Recommended dilutions:** WB: 1/500 - 1/3000, IHC: 1/50 - 1/100, IF/ICC: 1/100 - 1/500, ELISA: 1/40000. Optimal dilutions/concentrations should be determined by the end user.

**Conjugation:** Unconjugated

# Datasheet

|                            |                                                                                                                                            |
|----------------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Immunogen:</b>          | The antiserum was produced against synthesized peptide derived from internal of human CLDN6.                                               |
| <b>Isotype:</b>            | IgG                                                                                                                                        |
| <b>Form:</b>               | Liquid                                                                                                                                     |
| <b>Purification:</b>       | Purified from rabbit antiserum by affinity chromatography using epitope-specific immunogen.                                                |
| <b>Storage:</b>            | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                                                             |
