

## Transcription Factor 4/12 (TCF4/12) Antibody

Catalogue No.: abx014956

Western blot analysis of extracts from HUVEC cells, using TCF4/12 antibody.

Rabbit polyclonal antibody against TCF4/12 protein.

|                               |                                                                                                                         |
|-------------------------------|-------------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Transcription Factor 4/12 (TCF4/12)                                                                                     |
| <b>Clonality:</b>             | Polyclonal                                                                                                              |
| <b>Reactivity:</b>            | Human, Mouse, Rat                                                                                                       |
| <b>Tested Applications:</b>   | ELISA, WB                                                                                                               |
| <b>Host:</b>                  | Rabbit                                                                                                                  |
| <b>Recommended dilutions:</b> | ELISA: 1/20000, WB: 1/500 - 1/300. Optimal dilutions/concentrations should be determined by the end user.               |
| <b>Conjugation:</b>           | Unconjugated                                                                                                            |
| <b>Immunogen:</b>             | The antiserum was produced against a synthesized peptide derived from the internal region of human TCF4/12.             |
| <b>Isotype:</b>               | IgG                                                                                                                     |
| <b>Form:</b>                  | Liquid                                                                                                                  |
| <b>Purification:</b>          | Purified from rabbit antiserum by affinity chromatography using epitope-specific immunogen.                             |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                                          |
| <b>UniProt Primary AC:</b>    | P15884 ( <a href="#">UniProt</a> , <a href="#">ExPASy</a> ) Q99081 ( <a href="#">UniProt</a> , <a href="#">ExPASy</a> ) |
| <b>Buffer:</b>                | PBS (without $Mg^{2+}$ and $Ca^{2+}$ ), pH 7.4, 150 mM NaCl, 0.02% sodium azide, 50% glycerol.                          |
| <b>Concentration:</b>         | 1 mg/ml                                                                                                                 |
