

# Vesicle Transport Through Interaction With T-SNAREs Homolog 1A (VTI1A) Antibody

Catalogue No.: abx014998

Western blot analysis of extracts from 3T3 cells, using VTI1A antibody.

Rabbit polyclonal antibody against VTI1A protein. Immunogen region is Internal.

|                               |                                                                                                            |
|-------------------------------|------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Vesicle Transport Through Interaction With T-SNAREs Homolog 1A (VTI1A)                                     |
| <b>Clonality:</b>             | Polyclonal                                                                                                 |
| <b>Reactivity:</b>            | Human, Mouse, Rat                                                                                          |
| <b>Tested Applications:</b>   | ELISA, WB                                                                                                  |
| <b>Host:</b>                  | Rabbit                                                                                                     |
| <b>Recommended dilutions:</b> | WB: 1/500 - 1/3000, ELISA: 1/10000. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                                                               |
| <b>Immunogen:</b>             | The antiserum was produced against synthesized peptide derived from internal of human VTI1A.               |
| <b>Isotype:</b>               | IgG                                                                                                        |
| <b>Form:</b>                  | Liquid                                                                                                     |
| <b>Purification:</b>          | Purified from rabbit antiserum by affinity chromatography using epitope-specific immunogen.                |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                             |
| <b>UniProt Primary AC:</b>    | Q96AJ9 ( <a href="#">UniProt</a> , <a href="#">ExPASy</a> )                                                |
| <b>KEGG:</b>                  | hsa:143187                                                                                                 |

# Datasheet

Version: 2.0.0

Revision date: 02 May 2025

**String:** [9606.ENSF00000376792](#)

**Buffer:** PBS (without  $Mg^{2+}$  and  $Ca^{2+}$ ), pH 7.4, 150 mM NaCl, 0.02% sodium azide, 50% glycerol.

**Concentration:** 1 mg/ml

**Note:** THIS PRODUCT IS FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC, THERAPEUTIC OR COSMETIC PROCEDURES. NOT FOR HUMAN OR ANIMAL CONSUMPTION.

For Reference Only
