

## StAR-Related Lipid Transfer Protein 10 (STARD10) Antibody

Catalogue No.: abx015072

Rabbit polyclonal antibody against STARD10 protein. Immunogen region is N-terminal.

|                               |                                                                                                  |
|-------------------------------|--------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | StAR-Related Lipid Transfer Protein 10 (STARD10)                                                 |
| <b>Clonality:</b>             | Polyclonal                                                                                       |
| <b>Reactivity:</b>            | Human, Mouse, Rat                                                                                |
| <b>Tested Applications:</b>   | WB                                                                                               |
| <b>Host:</b>                  | Rabbit                                                                                           |
| <b>Recommended dilutions:</b> | Optimal dilutions/concentrations should be determined by the end user.                           |
| <b>Conjugation:</b>           | Unconjugated                                                                                     |
| <b>Immunogen:</b>             | The antiserum was produced against synthesized peptide derived from N-terminal of human STARD10. |
| <b>Isotype:</b>               | IgG                                                                                              |
| <b>Form:</b>                  | Liquid                                                                                           |
| <b>Purification:</b>          | Purified from rabbit antiserum by affinity chromatography using epitope-specific immunogen.      |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                   |
| <b>UniProt Primary AC:</b>    | Q9Y365 ( <a href="#">UniProt</a> , <a href="#">ExPASy</a> )                                      |
| <b>String:</b>                | <a href="#">9606.ENSP00000335247</a>                                                             |
| <b>Buffer:</b>                | PBS (without $Mg^{2+}$ and $Ca^{2+}$ ), pH 7.4, 150 mM NaCl, 0.02% sodium azide, 50% glycerol.   |

# Datasheet

Version: 3.0.0

Revision date: 08 Mar 2025

**Concentration:** 1 mg/ml
