

## Vasoactive Intestinal Peptide (VIP) Antibody

Catalogue No.: abx104795

Western blot analysis of the recombinant protein.

VIP Antibody is a Rabbit Polyclonal against VIP.

|                               |                                                                                                                               |

| <b>Target:</b>                | Vasoactive Intestinal Peptide (VIP)                                                                                           |
| <b>Research Area:</b>         | Endocrinology, Gastroenterology, Hormone Metabolism                                                                           |
| <b>Clonality:</b>             | Polyclonal                                                                                                                    |
| <b>Reactivity:</b>            | Cow                                                                                                                           |
| <b>Tested Applications:</b>   | WB, IHC, IF/ICC                                                                                                               |
| <b>Host:</b>                  | Rabbit                                                                                                                        |
| <b>Recommended dilutions:</b> | WB: 0.01-2 µg/ml, IHC: 5-20 µg/ml, IF/ICC: 5-20 µg/ml. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                                                                                  |
| <b>Immunogen:</b>             | VIP (Pro27-Ser157)                                                                                                            |
| <b>Form:</b>                  | Liquid                                                                                                                        |
| <b>Purification:</b>          | Purified by antigen-specific affinity chromatography, followed by Protein A affinity chromatography.                          |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                                                |
| <b>UniProt Primary AC:</b>    | P81401 ( <a href="#">UniProt</a> , <a href="#">ExPASy</a> )                                                                   |
| <b>Gene Symbol:</b>           | VIP                                                                                                                           |
| <b>KEGG:</b>                  | bta:280956                                                                                                                    |

# Datasheet

Version: 4.0.0

Revision date: 01 Sep 2025

**String:** [9913.ENSBTAP00000017827](#)

**Buffer:** 0.01 M PBS, pH 7.4, containing 0.05% Proclin-300, 50% glycerol.

**Note:** THIS PRODUCT IS FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC, THERAPEUTIC OR COSMETIC PROCEDURES. NOT FOR HUMAN OR ANIMAL CONSUMPTION.

For Reference Only
