

## Cyclin E2 (CCNE2) Antibody

Catalogue No.:abx006418

Western blot analysis of lysates from Jurkat cells, using Cyclin E2 Antibody. Secondary antibody: HRP-conjugated Goat anti-Rabbit IgG (H+L) at 1/10000 dilution. Lysates/proteins: 25 µg per lane. Blocking buffer: 3% nonfat dry milk in TBST.

Immunofluorescence analysis of MCF7 cells using Cyclin E2 Antibody. Secondary antibody: Cy3-conjugated Goat anti-Rabbit IgG (H+L) at 1/500 dilution.

CCNE2 Antibody is a Rabbit Polyclonal Antibody against CCNE2.

|                               |                                                                                                                                  |
|-------------------------------|----------------------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Cyclin E2 (CCNE2)                                                                                                                |
| <b>Clonality:</b>             | Polyclonal                                                                                                                       |
| <b>Reactivity:</b>            | Human                                                                                                                            |
| <b>Tested Applications:</b>   | ELISA, WB, IF/ICC                                                                                                                |
| <b>Host:</b>                  | Rabbit                                                                                                                           |
| <b>Recommended dilutions:</b> | ELISA: 1 µg/ml, WB: 1/500 - 1/2000, IF/ICC: 1/50 - 1/200. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                                                                                     |
| <b>Immunogen:</b>             | Recombinant fusion protein containing a sequence corresponding to amino acids 255-404 of human Cyclin E2.                        |
| <b>Isotype:</b>               | IgG                                                                                                                              |
| <b>Form:</b>                  | Liquid                                                                                                                           |
| <b>Purification:</b>          | Purified by affinity chromatography.                                                                                             |

# Datasheet

Version: 3.0.0

Revision date: 29 Sep 2025

**Storage:** Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.

**UniProt Primary AC:** O96020 ([UniProt](#), [ExPASy](#))

**Gene Symbol:** CCNE2

**GeneID:** [9134](#)

**NCBI Accession:** NP\_477097.1

**KEGG:** hsa:9134

**String:** [9606.ENSP00000429089](#)

**Molecular Weight:** Calculated MW: 47 kDa  
Observed MW: 47 kDa

**Buffer:** PBS, pH 7.3, containing 0.02% sodium azide, 50% glycerol.

**Concentration:** > 0.2 mg/ml

**Note:** THIS PRODUCT IS FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC, THERAPEUTIC OR COSMETIC PROCEDURES. NOT FOR HUMAN OR ANIMAL CONSUMPTION.

For Reference Only
