

## Solute Carrier Family 25 Member 11 (SLC25A11) Antibody

Catalogue No.: abx006086

Immunohistochemistry of paraffin-embedded Rat spleen using SLC25A11 Antibody (1/100 dilution, 40x lens).

Immunohistochemistry of paraffin-embedded Human colon carcinoma using SLC25A11 Antibody (1/100 dilution, 40x lens).

Immunohistochemistry of paraffin-embedded Human gastric cancer using SLC25A11 Antibody (1/100 dilution, 40x lens).

Immunohistochemistry of paraffin-embedded Mouse spinal cord using SLC25A11 Antibody (1/100 dilution, 40x lens).

SLC25A11 Antibody is a Rabbit Polyclonal Antibody against SLC25A11.

**Target:** Solute Carrier Family 25 Member 11 (SLC25A11)

**Clonality:** Polyclonal

**Reactivity:** Human, Mouse, Rat

# Datasheet

Revision date: 14 Sep 2025

|                               |                                                                                                                                            |
|-------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Tested Applications:</b>   | IHC                                                                                                                                        |
| <b>Host:</b>                  | Rabbit                                                                                                                                     |
| <b>Recommended dilutions:</b> | IHC-P: 1/50 - 1/100. Not tested in IHC-F. Optimal dilutions/concentrations should be determined by the end user.                           |
| <b>Conjugation:</b>           | Unconjugated                                                                                                                               |
| <b>Immunogen:</b>             | Recombinant fusion protein corresponding to human SLC25A11                                                                                 |
| <b>Isotype:</b>               | IgG                                                                                                                                        |
| <b>Form:</b>                  | Liquid                                                                                                                                     |
| <b>Purification:</b>          | Purified by affinity chromatography.                                                                                                       |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                                                             |
| <b>UniProt Primary AC:</b>    | Q02978 ( <a href="#">UniProt</a> , <a href="#">ExPASy</a> )                                                                                |
| <b>Gene Symbol:</b>           | SLC25A11                                                                                                                                   |
