

## Ubinuclein 1 (UBN1) Antibody

Catalogue No.: abx140238

Ubinuclein 1 Antibody is a Mouse Monoclonal against Ubinuclein 1.

|                               |                                                                         |
|-------------------------------|-------------------------------------------------------------------------|
| <b>Target:</b>                | Ubinuclein 1 (UBN1)                                                     |
| <b>Clonality:</b>             | Monoclonal                                                              |
| <b>Clone:</b>                 | P487                                                                    |
| <b>Reactivity:</b>            | Human                                                                   |
| <b>Tested Applications:</b>   | WB, IP                                                                  |
| <b>Host:</b>                  | Mouse                                                                   |
| <b>Recommended dilutions:</b> | Optimal dilutions/concentrations should be determined by the end user.  |
| <b>Conjugation:</b>           | Unconjugated                                                            |
| <b>Immunogen:</b>             | Recombinant protein corresponding to amino acids 1-190 of ubinuclein 1. |
| <b>Isotype:</b>               | IgG <sub>1</sub> Kappa                                                  |
| <b>Purity:</b>                | > 95% (SDS-PAGE)                                                        |
| <b>Purification:</b>          | Purified by Protein A affinity chromatography.                          |
| <b>Storage:</b>               | Store at 2-8°C. Do not freeze.                                          |
| <b>UniProt Primary AC:</b>    | Q6PIZ9 ( <a href="#">UniProt</a> , <a href="#">ExPASy</a> )             |

| <b>Buffer:</b>                | PBS solution with 15 mM sodium azide.                                   |

# Datasheet

Version: 2.0.0

Revision date: 10 Sep 2025

|                       |                                                                                                                                                                                    |
|-----------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Specificity:</b>   | The antibody recognizes N-terminal part of ubinuclein 1 (UBN1), a widely expressed nuclear and adhesion complex protein. Western blotting analysis reveals UBN1 as a 165 kDa band. |
| <b>Concentration:</b> | 1 mg/ml                                                                                                                                                                            |
| <b>Note:</b>          | THIS PRODUCT IS FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC, THERAPEUTIC OR COSMETIC PROCEDURES. NOT FOR HUMAN OR ANIMAL CONSUMPTION.                                         |
