

## Integrator Complex Subunit 12 (INTS12) Antibody

Catalogue No.: abx145630

INTS12 Antibody is a Rabbit Polyclonal against INTS12.

|                               |                                                                                                                      |
|-------------------------------|----------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Integrator Complex Subunit 12 (INTS12)                                                                               |
| <b>Clonality:</b>             | Polyclonal                                                                                                           |
| <b>Reactivity:</b>            | Human                                                                                                                |
| <b>Tested Applications:</b>   | ELISA, WB                                                                                                            |
| <b>Host:</b>                  | Rabbit                                                                                                               |
| <b>Recommended dilutions:</b> | ELISA: 1/20000 - 1/80000, WB: 1/500 - 1/2000. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                                                                         |
| <b>Immunogen:</b>             | Recombinant fragment corresponding to 165-357 AA of human INTS12.                                                    |
| <b>Isotype:</b>               | IgG                                                                                                                  |
| <b>Form:</b>                  | Lyophilized                                                                                                          |
| <b>Purification:</b>          | Purified by antigen affinity column chromatography.                                                                  |
| <b>Reconstitution:</b>        | Reconstitute in 100 µl of sterile distilled H <sub>2</sub> O with 50% glycerol.                                      |
| <b>Storage:</b>               | Store at -20 °C. Avoid repeated freeze/thaw cycles.                                                                  |

# Datasheet

Version: 1.0.0

Revision date: 07 Sep 2025

**KEGG:** hsa:57117

**Ensembl:** ENSG00000138785

**String:** [9606.ENSP00000415433](#)

**Molecular Weight:** Observed MW: 47 kDa

**Buffer:** Prior to lyophilization: 1% BSA and 0.02% NaN<sub>3</sub>.

**Specificity:** Predicted to react with Mouse and Rat INTS12.

**Concentration:** Lyophilized form: Not applicable.  
After reconstitution: 1 mg/ml.

**Note:** THIS PRODUCT IS FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC, THERAPEUTIC OR COSMETIC PROCEDURES. NOT FOR HUMAN OR ANIMAL CONSUMPTION.

For Reference Only
