

## Yolk Immunoglobulin Antibody Pair

Catalogue No.: abx117404

Yolk Immunoglobulin Antibody Pair for use in Sandwich ELISA assay development.

|                                        |                                                                                                                                            |
|----------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                         | Yolk Immunoglobulin                                                                                                                        |
| <b>Reactivity:</b>                     | Human, Mouse, Guinea pig, Cow, Dog, Chicken                                                                                                |
| <b>Tested Applications:</b>            | ELISA                                                                                                                                      |
| <b>Immunogen:</b>                      | Chicken                                                                                                                                    |
| <b>Form:</b>                           | Liquid                                                                                                                                     |
| <b>Buffer:</b>                         | 0.01 M PBS, pH 7.4, 50% glycerol.                                                                                                          |
| <b>Assay Type:</b>                     | Sandwich                                                                                                                                   |
| <b>Capture Antibody Host:</b>          | Rabbit                                                                                                                                     |
| <b>Detection Antibody Host:</b>        | Rabbit                                                                                                                                     |
| <b>Capture Antibody Clonality:</b>     | Polyclonal                                                                                                                                 |
| <b>Detection Antibody Clonality:</b>   | Polyclonal                                                                                                                                 |
| <b>Capture Antibody Isotype:</b>       | IgG                                                                                                                                        |
| <b>Detection Antibody Isotype:</b>     | IgG                                                                                                                                        |
| <b>Capture Antibody Conjugation:</b>   | Unconjugated                                                                                                                               |
| <b>Detection Antibody Conjugation:</b> | Biotin                                                                                                                                     |
| <b>Note:</b>                           | THIS PRODUCT IS FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC, THERAPEUTIC OR COSMETIC PROCEDURES. NOT FOR HUMAN OR ANIMAL CONSUMPTION. |
