

## Alanyl-tRNA Synthetase Domain Containing 1 (AARSD1) Antibody

Catalogue No.: abx302840

AARSD1 Antibody is a Rabbit Polyclonal against AARSD1.

|                               |                                                                                                               |
|-------------------------------|---------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Alanyl-tRNA Synthetase Domain Containing 1 (AARSD1)                                                           |
| <b>Clonality:</b>             | Polyclonal                                                                                                    |
| <b>Reactivity:</b>            | Human                                                                                                         |
| <b>Tested Applications:</b>   | ELISA, WB, IHC                                                                                                |
| <b>Host:</b>                  | Rabbit                                                                                                        |
| <b>Recommended dilutions:</b> | WB: 1/500 - 1/2000, IHC: 1/20 - 1/200. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                                                                  |
| <b>Immunogen:</b>             | Recombinant human Alanyl-tRNA editing protein Aarsd1 protein (1-230AA).                                       |
| <b>Isotype:</b>               | IgG                                                                                                           |
| <b>Form:</b>                  | Liquid                                                                                                        |
| <b>Purity:</b>                | > 95%                                                                                                         |
| <b>Purification:</b>          | Purified by Protein G.                                                                                        |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                                |
