

## Acyl-CoA Synthetase Family Member 3 (ACSF3) Antibody (HRP)

Catalogue No.: abx313406

ACSF3 Antibody (HRP) is a Rabbit Polyclonal against ACSF3 conjugated to HRP.

|                               |                                                                                           |
|-------------------------------|-------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Acyl-CoA Synthetase Family Member 3 (ACSF3)                                               |
| <b>Clonality:</b>             | Polyclonal                                                                                |
| <b>Reactivity:</b>            | Human                                                                                     |
| <b>Tested Applications:</b>   | ELISA                                                                                     |
| <b>Host:</b>                  | Rabbit                                                                                    |
| <b>Recommended dilutions:</b> | Optimal dilutions/concentrations should be determined by the end user.                    |
| <b>Conjugation:</b>           | HRP                                                                                       |
| <b>Immunogen:</b>             | Recombinant human Acyl-CoA synthetase family member 3, mitochondrial protein (365-484AA). |
| <b>Isotype:</b>               | IgG                                                                                       |
| <b>Form:</b>                  | Liquid                                                                                    |
