

## Gamma Secretase Subunit APH-1A (APH1A) Antibody (Biotin)

Catalogue No.: abx313774

APH1A Antibody (Biotin) is a Rabbit Polyclonal against APH1A conjugated to Biotin.

|                               |                                                                                         |
|-------------------------------|-----------------------------------------------------------------------------------------|
| <b>Target:</b>                | Gamma Secretase Subunit APH-1A (APH1A)                                                  |
| <b>Research Area:</b>         | Tumor Immunity                                                                          |
| <b>Clonality:</b>             | Polyclonal                                                                              |
| <b>Reactivity:</b>            | Human                                                                                   |
| <b>Tested Applications:</b>   | ELISA                                                                                   |
| <b>Host:</b>                  | Rabbit                                                                                  |
| <b>Recommended dilutions:</b> | Optimal dilutions/concentrations should be determined by the end user.                  |
| <b>Conjugation:</b>           | Biotin                                                                                  |
| <b>Immunogen:</b>             | Recombinant Human Gamma-Secretase Subunit APH-1A protein (1-247AA).                     |
| <b>Isotype:</b>               | IgG                                                                                     |
| <b>Form:</b>                  | Liquid                                                                                  |
