

## Rho GTPase-Activating Protein 29 (ARHGAP29) Antibody

Catalogue No.: abx307333

ARHGAP29 Antibody is a Rabbit Polyclonal against ARHGAP29.

|                               |                                                                         |
|-------------------------------|-------------------------------------------------------------------------|
| <b>Target:</b>                | Rho GTPase-Activating Protein 29 (ARHGAP29)                             |
| <b>Clonality:</b>             | Polyclonal                                                              |
| <b>Reactivity:</b>            | Human                                                                   |
| <b>Tested Applications:</b>   | ELISA                                                                   |
| <b>Host:</b>                  | Rabbit                                                                  |
| <b>Recommended dilutions:</b> | Optimal dilutions/concentrations should be determined by the end user.  |
| <b>Conjugation:</b>           | Unconjugated                                                            |
| <b>Immunogen:</b>             | Recombinant human Rho GTPase-activating protein 29 protein (161-392AA). |
| <b>Isotype:</b>               | IgG                                                                     |
| <b>Form:</b>                  | Liquid                                                                  |
