

## Voltage-Dependent Calcium Channel Gamma-3 Subunit (CACNG3) Antibody (Biotin)

Catalogue No.: abx316787

CACNG3 Antibody (Biotin) is a Rabbit Polyclonal against CACNG3 conjugated to Biotin.

|                               |                                                                                          |
|-------------------------------|------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Voltage-Dependent Calcium Channel Gamma-3 Subunit (CACNG3)                               |
| <b>Clonality:</b>             | Polyclonal                                                                               |
| <b>Reactivity:</b>            | Human                                                                                    |
| <b>Tested Applications:</b>   | ELISA                                                                                    |
| <b>Host:</b>                  | Rabbit                                                                                   |
| <b>Recommended dilutions:</b> | Optimal dilutions/concentrations should be determined by the end user.                   |
| <b>Conjugation:</b>           | Biotin                                                                                   |
| <b>Immunogen:</b>             | Recombinant Human Voltage-dependent calcium channel gamma-3 subunit protein (235-315AA). |
| <b>Isotype:</b>               | IgG                                                                                      |
| <b>Form:</b>                  | Liquid                                                                                   |
| <b>Purity:</b>                | > 95%                                                                                    |
| <b>Purification:</b>          | Purified by Protein G.                                                                   |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid exposure to light. Avoid repeated freeze/thaw cycles.  |
