

## E3 Ubiquitin-Protein Ligase CBL (CBL) Antibody

Catalogue No.: abx302579

CBL Antibody is a Rabbit Polyclonal against CBL.

|                               |                                                                                                                                       |
|-------------------------------|---------------------------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | E3 Ubiquitin-Protein Ligase CBL (CBL)                                                                                                 |
| <b>Clonality:</b>             | Polyclonal                                                                                                                            |
| <b>Reactivity:</b>            | Human                                                                                                                                 |
| <b>Tested Applications:</b>   | ELISA, WB, IHC, IF/ICC                                                                                                                |
| <b>Host:</b>                  | Rabbit                                                                                                                                |
| <b>Recommended dilutions:</b> | WB: 1/500 - 1/5000, IHC: 1/500 - 1/1000, IF/ICC: 1/50 - 1/200. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                                                                                          |
| <b>Immunogen:</b>             | Recombinant Human E3 ubiquitin-protein ligase CBL protein (548-847AA).                                                                |
| <b>Isotype:</b>               | IgG                                                                                                                                   |
| <b>Form:</b>                  | Liquid                                                                                                                                |
| <b>Purity:</b>                | > 95%                                                                                                                                 |
