

## CFAP52 Antibody

Catalogue No.: abx309402

CFAP52 Antibody is a Rabbit Polyclonal against CFAP52.

|                               |                                                                                                                |
|-------------------------------|----------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | CFAP52                                                                                                         |
| <b>Clonality:</b>             | Polyclonal                                                                                                     |
| <b>Reactivity:</b>            | Human                                                                                                          |
| <b>Tested Applications:</b>   | ELISA, WB, IHC                                                                                                 |
| <b>Host:</b>                  | Rabbit                                                                                                         |
| <b>Recommended dilutions:</b> | WB: 1/1000 - 1/5000, IHC: 1/20 - 1/200. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                                                                   |
| <b>Immunogen:</b>             | Recombinant human Cilia- and flagella-associated protein 52 protein (101-400AA).                               |
| <b>Isotype:</b>               | IgG                                                                                                            |
