

## Eukaryotic Translation Initiation Factor 2 Subunit 1 (EIF2S1) Antibody (HRP)

Catalogue No.: abx315692

EIF2S1 Antibody (HRP) is a Rabbit Polyclonal against EIF2S1 conjugated to HRP.

|                               |                                                                                             |
|-------------------------------|---------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Eukaryotic Translation Initiation Factor 2 Subunit 1 (EIF2S1)                               |
| <b>Clonality:</b>             | Polyclonal                                                                                  |
| <b>Reactivity:</b>            | Human                                                                                       |
| <b>Tested Applications:</b>   | ELISA                                                                                       |
| <b>Host:</b>                  | Rabbit                                                                                      |
| <b>Recommended dilutions:</b> | Optimal dilutions/concentrations should be determined by the end user.                      |
| <b>Conjugation:</b>           | HRP                                                                                         |
| <b>Immunogen:</b>             | Recombinant Human Eukaryotic translation initiation factor 2 subunit 1 protein (276-315AA). |
| <b>Isotype:</b>               | IgG                                                                                         |
| <b>Form:</b>                  | Liquid                                                                                      |
