

## Pre-Glycoprotein Polyprotein GP Complex (GPC) Antibody (FITC)

Catalogue No.: abx319923

Fluorescence emission spectra of FITC.

GPC Antibody (FITC) is a Rabbit Polyclonal against GPC conjugated to FITC.

|                               |                                                                                                             |
|-------------------------------|-------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Pre-Glycoprotein Polyprotein GP Complex (GPC)                                                               |
| <b>Clonality:</b>             | Polyclonal                                                                                                  |
| <b>Reactivity:</b>            | Virus                                                                                                       |
| <b>Host:</b>                  | Rabbit                                                                                                      |
| <b>Recommended dilutions:</b> | Optimal dilutions/concentrations should be determined by the end user.                                      |
| <b>Conjugation:</b>           | FITC                                                                                                        |
| <b>Excitation/Emission:</b>   | 499/515                                                                                                     |

# Datasheet

Version: 4.0.0

Revision date: 03 Aug 2025

**Gene Symbol:** GPC

**GeneID:** [956591](#)

**KEGG:** vg:956591

**Buffer:** 0.01 M PBS, pH 7.4, 0.03% Proclin-300 and 50% Glycerol.

**Note:** THIS PRODUCT IS FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC, THERAPEUTIC OR COSMETIC PROCEDURES. NOT FOR HUMAN OR ANIMAL CONSUMPTION.

For Reference Only
