

## Lactamase Beta 2 (LACTB2) Antibody

Catalogue No.: abx307452

LACTB2 Antibody is a Rabbit Polyclonal against LACTB2.

|                                  |                                                                                                                 |
|----------------------------------|-----------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                   | Lactamase Beta 2 (LACTB2)                                                                                       |
| <b>Clonality:</b>                | Polyclonal                                                                                                      |
| <b>Reactivity:</b>               | Human                                                                                                           |
| <b>Tested Applications:</b>      | ELISA, IHC, IF/ICC                                                                                              |
| <b>Host:</b>                     | Rabbit                                                                                                          |
| <b>Recommended dilutions:</b>    | IHC: 1/20 - 1/200, IF/ICC: 1/50 - 1/200. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>              | Unconjugated                                                                                                    |
| <b>Immunogen:</b>                | Recombinant human Beta-lactamase-like protein 2 protein (6-288AA).                                              |
| <b>Isotype:</b>                  | IgG                                                                                                             |
| <b>Form:</b>                     | Liquid                                                                                                          |
