

## Nuclear Apoptosis-Inducing Factor 1 (NAIF1) Antibody

Catalogue No.: abx318382

NAIF1 Antibody is a Rabbit Polyclonal against NAIF1.

|                               |                                                                                                               |
|-------------------------------|---------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Nuclear Apoptosis-Inducing Factor 1 (NAIF1)                                                                   |
| <b>Clonality:</b>             | Polyclonal                                                                                                    |
| <b>Reactivity:</b>            | Human, Mouse                                                                                                  |
| <b>Tested Applications:</b>   | ELISA, WB, IHC                                                                                                |
| <b>Host:</b>                  | Rabbit                                                                                                        |
| <b>Recommended dilutions:</b> | WB: 1/500 - 1/2000, IHC: 1/20 - 1/200. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                                                                  |
| <b>Immunogen:</b>             | Recombinant human Nuclear apoptosis-inducing factor 1 protein (1-172AA).                                      |
| <b>Isotype:</b>               | IgG                                                                                                           |
| <b>Form:</b>                  | Liquid                                                                                                        |
