

## Putative Transcription Factor Ovo-Like 2 (OVOL2) Antibody

Catalogue No.: abx313972

OVOL2 Antibody is a Rabbit Polyclonal against OVOL2.

|                               |                                                                                           |
|-------------------------------|-------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Putative Transcription Factor Ovo-Like 2 (OVOL2)                                          |
| <b>Clonality:</b>             | Polyclonal                                                                                |
| <b>Reactivity:</b>            | Human                                                                                     |
| <b>Tested Applications:</b>   | ELISA, IHC                                                                                |
| <b>Host:</b>                  | Rabbit                                                                                    |
| <b>Recommended dilutions:</b> | IHC: 1/20 - 1/200. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                                              |
| <b>Immunogen:</b>             | Recombinant human Transcription factor Ovo-like 2 protein (19-114AA).                     |
| <b>Isotype:</b>               | IgG                                                                                       |
| <b>Form:</b>                  | Liquid                                                                                    |
| <b>Purity:</b>                | > 95%                                                                                     |
| <b>Purification:</b>          | Purified by Protein G.                                                                    |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                            |
