

## P2Y Purinoceptor 13 (P2RY14) Antibody

Catalogue No.: abx322122

P2RY14 Antibody is a Rabbit Polyclonal against P2RY14.

|                               |                                                                                                                 |
|-------------------------------|-----------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | P2Y Purinoceptor 13 (P2RY14)                                                                                    |
| <b>Clonality:</b>             | Polyclonal                                                                                                      |
| <b>Reactivity:</b>            | Human, Mouse                                                                                                    |
| <b>Tested Applications:</b>   | ELISA, WB, IP                                                                                                   |
| <b>Host:</b>                  | Rabbit                                                                                                          |
| <b>Recommended dilutions:</b> | WB: 1/1000 - 1/5000, IP: 1/200 - 1/2000. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                                                                    |
| <b>Immunogen:</b>             | Recombinant human P2Y purinoceptor 14 protein (209-338AA).                                                      |
| <b>Isotype:</b>               | IgG                                                                                                             |
| <b>Form:</b>                  | Liquid                                                                                                          |
| <b>Purification:</b>          | Antigen Affinity Chromatography.                                                                                |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                                  |
