

## Prolyl 3-Hydroxylase 2 (P3H2) Antibody

Catalogue No.: abx317977

P3H2 Antibody is a Rabbit Polyclonal against P3H2.

|                               |                                                                                                                |
|-------------------------------|----------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Prolyl 3-Hydroxylase 2 (P3H2)                                                                                  |
| <b>Clonality:</b>             | Polyclonal                                                                                                     |
| <b>Reactivity:</b>            | Human, Mouse                                                                                                   |
| <b>Tested Applications:</b>   | ELISA, WB, IHC                                                                                                 |
| <b>Host:</b>                  | Rabbit                                                                                                         |
| <b>Recommended dilutions:</b> | WB: 1/2000 - 1/5000, IHC: 1/20 - 1/200. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                                                                   |
| <b>Immunogen:</b>             | Recombinant human Prolyl 3-hydroxylase 2 protein (301-528AA).                                                  |
