

## Protein Kinase C And Casein Kinase Substrate In Neurons Protein 2 (PACSIN2) Antibody

Catalogue No.: abx322523

PACSIN2 Antibody is a Rabbit Polyclonal against PACSIN2.

|                               |                                                                                                                |
|-------------------------------|----------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Protein Kinase C And Casein Kinase Substrate In Neurons Protein 2 (PACSIN2)                                    |
| <b>Clonality:</b>             | Polyclonal                                                                                                     |
| <b>Reactivity:</b>            | Human                                                                                                          |
| <b>Tested Applications:</b>   | ELISA, WB, IHC                                                                                                 |
| <b>Host:</b>                  | Rabbit                                                                                                         |
| <b>Recommended dilutions:</b> | WB: 1/1000 - 1/5000, IHC: 1/20 - 1/200. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                                                                   |
| <b>Immunogen:</b>             | Recombinant human Protein kinase C and casein kinase substrate in neurons protein 2 protein (240-410AA).       |
| <b>Isotype:</b>               | IgG                                                                                                            |
| <b>Form:</b>                  | Liquid                                                                                                         |
| <b>Purification:</b>          | Antigen Affinity Chromatography.                                                                               |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                                 |
