

# Phosphatidylinositol Glycan Anchor Biosynthesis Class O (PIGO) Antibody

Catalogue No.: abx302041

PIGO Antibody is a Rabbit Polyclonal against PIGO.

|                               |                                                                                                                 |
|-------------------------------|-----------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Phosphatidylinositol Glycan Anchor Biosynthesis Class O (PIGO)                                                  |
| <b>Clonality:</b>             | Polyclonal                                                                                                      |
| <b>Reactivity:</b>            | Human                                                                                                           |
| <b>Tested Applications:</b>   | ELISA, IHC, IF/ICC                                                                                              |
| <b>Host:</b>                  | Rabbit                                                                                                          |
| <b>Recommended dilutions:</b> | IHC: 1/20 - 1/200, IF/ICC: 1/50 - 1/200. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                                                                    |
| <b>Immunogen:</b>             | Recombinant human GPI ethanolamine phosphate transferase 3 protein (219-420AA).                                 |
| <b>Isotype:</b>               | IgG                                                                                                             |
| <b>Form:</b>                  | Liquid                                                                                                          |

# Datasheet

Version: 1.0.0

Revision date: 11 Sep 2025

**KEGG:** hsa:84720

**String:** [9606.ENSP00000367880](#)

**Enzyme Commission Number:** EC:2.-.-.-

**Buffer:** 0.01 M PBS, pH 7.4, 0.03% Proclin-300 and 50% Glycerol.

**Note:** THIS PRODUCT IS FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC, THERAPEUTIC OR COSMETIC PROCEDURES. NOT FOR HUMAN OR ANIMAL CONSUMPTION.

For Reference Only
