

## Protein Phosphatase 6 Catalytic Subunit (PPP6C) Antibody (HRP)

Catalogue No.: abx317123

PPP6C Antibody (HRP) is a Rabbit Polyclonal against PPP6C conjugated to HRP.

|                               |                                                                                                |
|-------------------------------|------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Protein Phosphatase 6 Catalytic Subunit (PPP6C)                                                |
| <b>Clonality:</b>             | Polyclonal                                                                                     |
| <b>Reactivity:</b>            | Human                                                                                          |
| <b>Tested Applications:</b>   | ELISA                                                                                          |
| <b>Host:</b>                  | Rabbit                                                                                         |
| <b>Recommended dilutions:</b> | Optimal dilutions/concentrations should be determined by the end user.                         |
| <b>Conjugation:</b>           | HRP                                                                                            |
| <b>Immunogen:</b>             | Recombinant Human Serine/threonine-protein phosphatase 6 catalytic subunit protein (40-211AA). |
| <b>Isotype:</b>               | IgG                                                                                            |
| <b>Form:</b>                  | Liquid                                                                                         |
