

## Pre-mRNA Processing Factor 4 (PRPF4) Antibody

Catalogue No.: abx322096

PRPF4 Antibody is a Rabbit Polyclonal against PRPF4.

|                               |                                                                                                                |
|-------------------------------|----------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Pre-mRNA Processing Factor 4 (PRPF4)                                                                           |
| <b>Clonality:</b>             | Polyclonal                                                                                                     |
| <b>Reactivity:</b>            | Human                                                                                                          |
| <b>Tested Applications:</b>   | ELISA, WB, IHC                                                                                                 |
| <b>Host:</b>                  | Rabbit                                                                                                         |
| <b>Recommended dilutions:</b> | WB: 1/1000 - 1/5000, IHC: 1/20 - 1/200. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                                                                   |
| <b>Immunogen:</b>             | Recombinant human U4/U6 small nuclear ribonucleoprotein Prp4 protein (1-260AA).                                |
| <b>Isotype:</b>               | IgG                                                                                                            |
| <b>Form:</b>                  | Liquid                                                                                                         |
| <b>Purification:</b>          | Antigen Affinity Chromatography.                                                                               |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                                 |

# Datasheet

Version: 4.0.0

Revision date: 14 Sep 2025

**Buffer:** PBS, pH 7.3, containing 0.02% sodium azide and 50% glycerol.

**Note:** THIS PRODUCT IS FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC, THERAPEUTIC OR COSMETIC PROCEDURES. NOT FOR HUMAN OR ANIMAL CONSUMPTION.

For Reference Only
