

**Prostaglandin-H2 D-Isomerase (Prostaglandin-H2 D-Isomerase (PTGDS)) Antibody (FITC)**

Catalogue No.: abx305001

Fluorescence emission spectra of FITC.

PTGDS Antibody (FITC) is a Rabbit Polyclonal against PTGDS conjugated to FITC.

|                               |                                                                                         |
|-------------------------------|-----------------------------------------------------------------------------------------|
| <b>Target:</b>                | Prostaglandin-H2 D-Isomerase (Prostaglandin-H2 D-Isomerase (PTGDS))                     |
| <b>Clonality:</b>             | Polyclonal                                                                              |
| <b>Reactivity:</b>            | Human                                                                                   |
| <b>Host:</b>                  | Rabbit                                                                                  |
| <b>Recommended dilutions:</b> | Optimal dilutions/concentrations should be determined by the end user.                  |
| <b>Conjugation:</b>           | FITC                                                                                    |
| <b>Excitation/Emission:</b>   | 499/515                                                                                 |
| <b>Laser Line:</b>            | 488                                                                                     |
| <b>Immunogen:</b>             | Recombinant human Prostaglandin-H2 D-isomerase protein (23-190 AA).                     |
| <b>Isotype:</b>               | IgG                                                                                     |
| <b>Form:</b>                  | Liquid                                                                                  |
| <b>Purity:</b>                | > 95%                                                                                   |
| <b>Purification:</b>          | Purified by Protein G.                                                                  |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid exposure to light. Avoid repeated freeze/thaw cycles. |

# Datasheet

Version: 3.0.0

Revision date: 05 Oct 2025

**UniProt Primary AC:** P41222 ([UniProt](#), [ExPASy](#))

**Gene Symbol:** PTGDS

**GeneID:** [5730](#)

**OMIM:** [176803](#)

**KEGG:** hsa:5730

**String:** [9606.ENSP00000360687](#)

**Buffer:** 0.01 M PBS, pH 7.4, 0.03% Proclin-300 and 50% Glycerol.

**Note:** THIS PRODUCT IS FOR RESEARCH USE ONLY. NOT FOR **USE** IN DIAGNOSTIC, THERAPEUTIC OR COSMETIC PROCEDURES. NOT FOR HUMAN OR ANIMAL CONSUMPTION.
