

## Rho-Related GTP-Binding Protein RhoF (RHOF) Antibody

Catalogue No.: abx310986

RHOF Antibody is a Rabbit Polyclonal against RHOF.

|                               |                                                                                                                |
|-------------------------------|----------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Rho-Related GTP-Binding Protein RhoF (RHOF)                                                                    |
| <b>Clonality:</b>             | Polyclonal                                                                                                     |
| <b>Reactivity:</b>            | Human, Mouse                                                                                                   |
| <b>Tested Applications:</b>   | ELISA, WB, IHC                                                                                                 |
| <b>Host:</b>                  | Rabbit                                                                                                         |
| <b>Recommended dilutions:</b> | WB: 1/1000 - 1/5000, IHC: 1/20 - 1/200. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                                                                   |
| <b>Immunogen:</b>             | Recombinant human Rho-related GTP-binding protein RhoF protein (1-170AA).                                      |
| <b>Isotype:</b>               | IgG                                                                                                            |
| <b>Form:</b>                  | Liquid                                                                                                         |
| <b>Purity:</b>                | > 95%                                                                                                          |
| <b>Purification:</b>          | Purified by Protein G.                                                                                         |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                                 |
