

## RAB6A-GEF Complex Partner Protein 1 (RIC1) Antibody (HRP)

Catalogue No.: abx313402

RIC1 Antibody (HRP) is a Rabbit Polyclonal against RIC1 conjugated to HRP.

|                               |                                                                                          |
|-------------------------------|------------------------------------------------------------------------------------------|
| <b>Target:</b>                | RAB6A-GEF Complex Partner Protein 1 (RIC1)                                               |
| <b>Clonality:</b>             | Polyclonal                                                                               |
| <b>Reactivity:</b>            | Human                                                                                    |
| <b>Tested Applications:</b>   | ELISA                                                                                    |
| <b>Host:</b>                  | Rabbit                                                                                   |
| <b>Recommended dilutions:</b> | Optimal dilutions/concentrations should be determined by the end user.                   |
| <b>Conjugation:</b>           | HRP                                                                                      |
| <b>Immunogen:</b>             | Recombinant human RAB6A-GEF complex partner protein 1 protein (951-1233AA).              |
| <b>Isotype:</b>               | IgG                                                                                      |
| <b>Form:</b>                  | Liquid                                                                                   |
