

## Phosphatidylinositol-3-Phosphatase SAC1 (SACM1L) Antibody (HRP)

Catalogue No.: abx311016

SACM1L Antibody (HRP) is a Rabbit Polyclonal against SACM1L conjugated to HRP.

|                               |                                                                                          |
|-------------------------------|------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Phosphatidylinositol-3-Phosphatase SAC1 (SACM1L)                                         |
| <b>Clonality:</b>             | Polyclonal                                                                               |
| <b>Reactivity:</b>            | Human                                                                                    |
| <b>Tested Applications:</b>   | ELISA                                                                                    |
| <b>Host:</b>                  | Rabbit                                                                                   |
| <b>Recommended dilutions:</b> | Optimal dilutions/concentrations should be determined by the end user.                   |
| <b>Conjugation:</b>           | HRP                                                                                      |
| <b>Immunogen:</b>             | Recombinant human Phosphatidylinositide phosphatase SAC1 protein (301-520AA).            |
| <b>Isotype:</b>               | IgG                                                                                      |
| <b>Form:</b>                  | Liquid                                                                                   |
| <b>Purity:</b>                | > 95%                                                                                    |
| <b>Purification:</b>          | Purified by Protein G.                                                                   |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid exposure to light. Avoid repeated freeze/thaw cycles.  |
