

# SWI/SNF-Related Matrix-Associated Actin-Dependent Regulator of Chromatin Subfamily A-Like Protein 1 (SMARCAL1) Antibody (Biotin)

Catalogue No.: abx317718

SMARCAL1 Antibody (Biotin) is a Rabbit Polyclonal against SMARCAL1 conjugated to Biotin.

|                               |                                                                                                                                          |
|-------------------------------|------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | SWI/SNF-Related Matrix-Associated Actin-Dependent Regulator of Chromatin Subfamily A-Like Protein 1 (SMARCAL1)                           |
| <b>Clonality:</b>             | Polyclonal                                                                                                                               |
| <b>Reactivity:</b>            | Human                                                                                                                                    |
| <b>Tested Applications:</b>   | ELISA                                                                                                                                    |
| <b>Host:</b>                  | Rabbit                                                                                                                                   |
| <b>Recommended dilutions:</b> | Optimal dilutions/concentrations should be determined by the end user.                                                                   |
| <b>Conjugation:</b>           | Biotin                                                                                                                                   |
| <b>Immunogen:</b>             | Recombinant Human SWI/SNF-related matrix-associated actin-dependent regulator of chromatin subfamily A-like protein 1 protein (6-277AA). |
| <b>Isotype:</b>               | IgG                                                                                                                                      |
| <b>Form:</b>                  | Liquid                                                                                                                                   |
