

## Spermatogenesis Associated 19 (SPATA19) Antibody

Catalogue No.: abx318600

SPATA19 Antibody is a Rabbit Polyclonal against SPATA19.

|                               |                                                                                             |
|-------------------------------|---------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Spermatogenesis Associated 19 (SPATA19)                                                     |
| <b>Clonality:</b>             | Polyclonal                                                                                  |
| <b>Reactivity:</b>            | Human, Mouse                                                                                |
| <b>Tested Applications:</b>   | ELISA, WB                                                                                   |
| <b>Host:</b>                  | Rabbit                                                                                      |
| <b>Recommended dilutions:</b> | WB: 1/1000 - 1/5000. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                                                |
| <b>Immunogen:</b>             | Recombinant human Spermatogenesis-associated protein 19, mitochondrial protein (25-167AA).  |
| <b>Isotype:</b>               | IgG                                                                                         |
| <b>Form:</b>                  | Liquid                                                                                      |
| <b>Purity:</b>                | > 95%                                                                                       |
| <b>Purification:</b>          | Purified by Protein G.                                                                      |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                              |
