

# TAF1A Antibody (FITC)

Catalogue No.: abx317338

Fluorescence emission spectra of FITC.

TAF1A Antibody (FITC) is a Rabbit Polyclonal against TAF1A conjugated to FITC.

|                        |                                                                                                              |
|------------------------|--------------------------------------------------------------------------------------------------------------|
| Target:                | TAF1A                                                                                                        |
| Clonality:             | Polyclonal                                                                                                   |
| Reactivity:            | Human                                                                                                        |
| Host:                  | Rabbit                                                                                                       |
| Recommended dilutions: | Optimal dilutions/concentrations should be determined by the end user.                                       |
| Conjugation:           | FITC                                                                                                         |
| Excitation/Emission:   | 499/515                                                                                                      |
| Laser Line:            | 488                                                                                                          |
| Immunogen:             | Recombinant Human TATA box-binding protein-associated factor RNA polymerase I subunit A protein (251-325AA). |
| Isotype:               | IgG                                                                                                          |
| Form:                  | Liquid                                                                                                       |
| Purity:                | > 95%                                                                                                        |
| Purification:          | Purified by Protein G.                                                                                       |
| Storage:               | Aliquot and store at -20°C. Avoid exposure to light. Avoid repeated freeze/thaw cycles.                      |

# Datasheet

Version: 2.0.0

Revision date: 23 Sep 2025

**Gene Symbol:** TAF1A

**GeneID:** [9015](#)

**OMIM:** [604903](#)

**NCBI Accession:** NP\_001188465.1, NM\_001201536.1

**KEGG:** hsa:9015

**String:** [9606.ENSP00000339976](#)

**Buffer:** 0.01 M PBS, pH 7.4, 0.03% Proclin-300 and 50% Glycerol.

**Note:** THIS PRODUCT IS FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC, THERAPEUTIC OR COSMETIC PROCEDURES. NOT FOR HUMAN OR ANIMAL CONSUMPTION.

For Reference Only
