

# Telomeric Repeat Binding Factor 2 Interacting Protein (TERF2IP) Antibody

Catalogue No.: abx320486

TERF2IP Antibody is a Rabbit Polyclonal against TERF2IP.

|                               |                                                                                              |
|-------------------------------|----------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Telomeric Repeat Binding Factor 2 Interacting Protein (TERF2IP)                              |
| <b>Clonality:</b>             | Polyclonal                                                                                   |
| <b>Reactivity:</b>            | Human                                                                                        |
| <b>Tested Applications:</b>   | ELISA, IHC                                                                                   |
| <b>Host:</b>                  | Rabbit                                                                                       |
| <b>Recommended dilutions:</b> | IHC: 1/20 - 1/200. Optimal dilutions/concentrations should be determined by the end user.    |
| <b>Conjugation:</b>           | Unconjugated                                                                                 |
| <b>Immunogen:</b>             | Recombinant human Telomeric repeat-binding factor 2-interacting protein 1 protein (1-280AA). |
| <b>Isotype:</b>               | IgG                                                                                          |
| <b>Form:</b>                  | Liquid                                                                                       |
| <b>Purification:</b>          | Antigen Affinity Chromatography.                                                             |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                               |
| <b>UniProt Primary AC:</b>    | Q9NYB0 ( <a href="#">UniProt</a> , <a href="#">ExPASy</a> )                                  |
| <b>Gene Symbol:</b>           | TERF2IP                                                                                      |
| <b>GeneID:</b>                | <a href="#">54386</a>                                                                        |
| <b>OMIM:</b>                  | <a href="#">605061</a>                                                                       |
| <b>String:</b>                | <a href="#">9606.ENSP00000300086</a>                                                         |
| <b>Buffer:</b>                | PBS, pH 7.3, containing 0.02% sodium azide and 50% glycerol.                                 |
