

## Telomerase Reverse Transcriptase (TERT) Antibody

Catalogue No.: abx300609

TERT Antibody is a Rabbit Polyclonal against TERT.

|                               |                                                                        |
|-------------------------------|------------------------------------------------------------------------|
| <b>Target:</b>                | Telomerase Reverse Transcriptase (TERT)                                |
| <b>Clonality:</b>             | Polyclonal                                                             |
| <b>Reactivity:</b>            | Dog                                                                    |
| <b>Tested Applications:</b>   | ELISA                                                                  |
| <b>Host:</b>                  | Rabbit                                                                 |
| <b>Recommended dilutions:</b> | Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                           |
| <b>Immunogen:</b>             | Recombinant Dog Telomerase reverse transcriptase protein (1-308AA).    |
| <b>Isotype:</b>               | IgG                                                                    |
| <b>Form:</b>                  | Liquid                                                                 |
| <b>Purity:</b>                | > 95%                                                                  |
| <b>Purification:</b>          | Purified by Protein G.                                                 |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.         |
| <b>UniProt Primary AC:</b>    | Q6A548 ( <a href="#">UniProt</a> , <a href="#">ExPASy</a> )            |
