

## Transmembrane Protein 68 (TMEM68) Antibody

Catalogue No.: abx318547

TMEM68 Antibody is a Rabbit Polyclonal against TMEM68.

|                               |                                                                                                                   |
|-------------------------------|-------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Transmembrane Protein 68 (TMEM68)                                                                                 |
| <b>Clonality:</b>             | Polyclonal                                                                                                        |
| <b>Reactivity:</b>            | Human, Mouse                                                                                                      |
| <b>Tested Applications:</b>   | ELISA, WB, IF/ICC                                                                                                 |
| <b>Host:</b>                  | Rabbit                                                                                                            |
| <b>Recommended dilutions:</b> | WB: 1/1000 - 1/5000, IF/ICC: 1/50 - 1/200. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                                                                      |
| <b>Immunogen:</b>             | Recombinant human Transmembrane protein 68 protein (74-114AA).                                                    |
| <b>Isotype:</b>               | IgG                                                                                                               |
| <b>Form:</b>                  | Liquid                                                                                                            |
