

# Tubulin Polymerization-Promoting Protein Family Member 3 (TPPP3) Antibody

Catalogue No.: abx305765

TPPP3 Antibody is a Rabbit Polyclonal against TPPP3.

|                               |                                                                                               |
|-------------------------------|-----------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Tubulin Polymerization-Promoting Protein Family Member 3 (TPPP3)                              |
| <b>Clonality:</b>             | Polyclonal                                                                                    |
| <b>Reactivity:</b>            | Human                                                                                         |
| <b>Tested Applications:</b>   | ELISA, IHC                                                                                    |
| <b>Host:</b>                  | Rabbit                                                                                        |
| <b>Recommended dilutions:</b> | IHC: 1/20 - 1/200. Optimal dilutions/concentrations should be determined by the end user.     |
| <b>Conjugation:</b>           | Unconjugated                                                                                  |
| <b>Immunogen:</b>             | Recombinant human Tubulin polymerization-promoting protein family member 3 protein (2-176AA). |
| <b>Isotype:</b>               | IgG                                                                                           |
| <b>Form:</b>                  | Liquid                                                                                        |
| <b>Purity:</b>                | > 95%                                                                                         |
| <b>Purification:</b>          | Purified by Protein G.                                                                        |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                |
