

**Ribosomal Protein S6 Kinase Beta 2 (RPS6KB2) Antibody**

Catalogue No.:abx025213

Phosphorylates specifically ribosomal protein S6.

**Target:** Ribosomal Protein S6 Kinase Beta 2 (RPS6KB2)

**Clonality:** Monoclonal

**Reactivity:** Human, Mouse

**Tested Applications:** ELISA, WB

**Host:** Mouse

**Recommended dilutions:** WB: 1/1000. Optimal dilutions/concentrations should be determined by the end user.

**Conjugation:** Unconjugated

# Datasheet

Version: 2.0.0

|                            |                                                                                                                                            |
|----------------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Immunogen:</b>          | Human RPS6KB2 recombinant protein.                                                                                                         |
| <b>Isotype:</b>            | IgG <sub>1</sub> Kappa                                                                                                                     |
| <b>Form:</b>               | Liquid                                                                                                                                     |
| <b>Purification:</b>       | Purified through a protein G column, eluted with high and low pH buffers and neutralized immediately, followed by dialysis against PBS.    |
| <b>Storage:</b>            | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                                                             |
| <b>UniProt Primary AC:</b> | Q9UBS0 ( <a href="#">UniProt</a> , <a href="#">ExPASy</a> )                                                                                |
| <b>String:</b>             | <a href="#">9606.ENSP00000308413</a>                                                                                                       |
| <b>Molecular Weight:</b>   | Calculated MW: 53.5 kDa                                                                                                                    |
| <b>Buffer:</b>             | PBS containing 0.09% sodium azide.                                                                                                         |
