

## Up-Regulated During Skeletal Muscle Growth Protein 5 (USMG5) Antibody (FITC)

Catalogue No.: abx309153

Fluorescence emission spectra of FITC.

USMG5 Antibody (FITC) is a Rabbit Polyclonal against USMG5 conjugated to FITC.

|                               |                                                                                          |
|-------------------------------|------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Up-Regulated During Skeletal Muscle Growth Protein 5 (USMG5)                             |
| <b>Clonality:</b>             | Polyclonal                                                                               |
| <b>Reactivity:</b>            | Human                                                                                    |
| <b>Host:</b>                  | Rabbit                                                                                   |
| <b>Recommended dilutions:</b> | Optimal dilutions/concentrations should be determined by the end user.                   |
| <b>Conjugation:</b>           | FITC                                                                                     |
| <b>Excitation/Emission:</b>   | 499/515                                                                                  |
| <b>Laser Line:</b>            | 488                                                                                      |
| <b>Immunogen:</b>             | Recombinant human Up-regulated during skeletal muscle growth protein 5 protein (2-58AA). |
| <b>Isotype:</b>               | IgG                                                                                      |
| <b>Form:</b>                  | Liquid                                                                                   |
| <b>Purity:</b>                | > 95%                                                                                    |
| <b>Purification:</b>          | Purified by Protein G.                                                                   |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid exposure to light. Avoid repeated freeze/thaw cycles.  |

# Datasheet

Version: 3.0.0

Revision date: 28 Aug 2025

**UniProt Primary AC:** Q96IX5 ([UniProt](#), [ExPASy](#))

**Gene Symbol:** ATP5MD

**GeneID:** [84833](#)

**OMIM:** [615204](#)

**KEGG:** hsa:84833

**String:** [9606.ENSP00000358840](#)

**Buffer:** 0.01 M PBS, pH 7.4, 0.03% Proclin-300 and 50% Glycerol.

**Note:** THIS PRODUCT IS FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC, THERAPEUTIC OR COSMETIC PROCEDURES. NOT FOR HUMAN OR ANIMAL CONSUMPTION.
