

## Protein VAC14 Homolog (VAC14) Antibody (Biotin)

Catalogue No.: abx315420

VAC14 Antibody (Biotin) is a Rabbit Polyclonal against VAC14 conjugated to Biotin.

|                               |                                                                                         |
|-------------------------------|-----------------------------------------------------------------------------------------|
| <b>Target:</b>                | Protein VAC14 Homolog (VAC14)                                                           |
| <b>Clonality:</b>             | Polyclonal                                                                              |
| <b>Reactivity:</b>            | Human                                                                                   |
| <b>Tested Applications:</b>   | ELISA                                                                                   |
| <b>Host:</b>                  | Rabbit                                                                                  |
| <b>Recommended dilutions:</b> | Optimal dilutions/concentrations should be determined by the end user.                  |
| <b>Conjugation:</b>           | Biotin                                                                                  |
