

## Vacuolar Protein Sorting-Associated Protein VTA1 Homolog (VTA1) Antibody (Biotin)

Catalogue No.: abx311624

VTA1 Antibody (Biotin) is a Rabbit Polyclonal against VTA1 conjugated to Biotin.

|                               |                                                                                                |
|-------------------------------|------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Vacuolar Protein Sorting-Associated Protein VTA1 Homolog (VTA1)                                |
| <b>Clonality:</b>             | Polyclonal                                                                                     |
| <b>Reactivity:</b>            | Human                                                                                          |
| <b>Tested Applications:</b>   | ELISA                                                                                          |
| <b>Host:</b>                  | Rabbit                                                                                         |
| <b>Recommended dilutions:</b> | Optimal dilutions/concentrations should be determined by the end user.                         |
| <b>Conjugation:</b>           | Biotin                                                                                         |
| <b>Immunogen:</b>             | Recombinant human Vacuolar protein sorting-associated protein VTA1 homolog protein (23-307AA). |
| <b>Isotype:</b>               | IgG                                                                                            |
| <b>Form:</b>                  | Liquid                                                                                         |
| <b>Purity:</b>                | > 95%                                                                                          |
| <b>Purification:</b>          | Purified by Protein G.                                                                         |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid exposure to light. Avoid repeated freeze/thaw cycles.        |
