

## Amyloid Beta Precursor Protein Binding Protein 1 (APPBP1) Antibody

Catalogue No.: abx230514

IP analysis of mouse kidney tissue lysate (4000 µg), using APPBP1 antibody (4 µg, detection: 1/500 dilution).

APPBP1 Antibody is a Rabbit Polyclonal against APPBP1.

|                               |                                                                                                                |
|-------------------------------|----------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Amyloid Beta Precursor Protein Binding Protein 1 (APPBP1)                                                      |
| <b>Clonality:</b>             | Polyclonal                                                                                                     |
| <b>Reactivity:</b>            | Human, Mouse, Rat                                                                                              |
| <b>Tested Applications:</b>   | ELISA, WB, IP                                                                                                  |
| <b>Host:</b>                  | Rabbit                                                                                                         |
| <b>Recommended dilutions:</b> | WB: 1/500 - 1/2000, IP: 1/200 - 1/2000. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                                                                   |
| <b>Immunogen:</b>             | NEDD8 activating enzyme E1 subunit 1                                                                           |
| <b>Isotype:</b>               | IgG                                                                                                            |
| <b>Form:</b>                  | Liquid                                                                                                         |
| <b>Purity:</b>                | ≥ 95% (SDS-PAGE)                                                                                               |
| <b>Purification:</b>          | Purified by immunogen affinity chromatography.                                                                 |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                                 |
| <b>Validity:</b>              | 12 months.                                                                                                     |
| <b>UniProt Primary AC:</b>    | Q13564 ( <a href="#">UniProt</a> , <a href="#">ExPASy</a> )                                                    |

# Datasheet

Version: 3.0.0

Revision date: 07 Jun 2025

**KEGG:** hsa:8883

**String:** [9606.ENSP00000351990](#)

**Molecular Weight:** Observed MW: 60 kDa

**Buffer:** PBS, pH 7.3, with 0.02% sodium azide and 50% glycerol.

**Concentration:** 2 mg/ml

**Note:** THIS PRODUCT IS FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC, THERAPEUTIC OR COSMETIC PROCEDURES. NOT FOR HUMAN OR ANIMAL CONSUMPTION.
