

# Cystic Fibrosis Transmembrane Conductance Regulator (CFTR) Antibody

Catalogue No.: abx231623

IHC-P analysis of human breast cancer tissue, using CFTR antibody (1/50 dilution).

CFTR Antibody is a Rabbit Polyclonal against CFTR.

|                               |                                                                                                                 |
|-------------------------------|-----------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Cystic Fibrosis Transmembrane Conductance Regulator (CFTR)                                                      |
| <b>Clonality:</b>             | Polyclonal                                                                                                      |
| <b>Reactivity:</b>            | Human, Mouse, Rat                                                                                               |
| <b>Tested Applications:</b>   | ELISA, IHC, IF/ICC                                                                                              |
| <b>Host:</b>                  | Rabbit                                                                                                          |
| <b>Recommended dilutions:</b> | IHC: 1/50 - 1/200, IF/ICC: 1/50 - 1/500. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                                                                    |
| <b>Immunogen:</b>             | cystic fibrosis transmembrane conductance regulator(ATP-binding cassette sub-family C, member 7)                |
| <b>Isotype:</b>               | IgG                                                                                                             |
| <b>Form:</b>                  | Liquid                                                                                                          |
| <b>Purity:</b>                | ≥ 95% (SDS-PAGE)                                                                                                |
| <b>Purification:</b>          | Purified by immunogen affinity chromatography.                                                                  |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                                  |
| <b>Validity:</b>              | 12 months.                                                                                                      |

# Datasheet

Version: 3.0.0

Revision date: 26 Jun 2025

**UniProt Primary AC:** P13569 ([UniProt](#), [ExPASy](#))

**Gene Symbol:** CFTR

**KEGG:** hsa:1080

**String:** [9606.ENSP00000003084](#)

**Buffer:** PBS, pH 7.3, with 0.02% sodium azide and 50% glycerol.

**Concentration:** 2 mg/ml

**Note:** THIS PRODUCT IS FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC, THERAPEUTIC OR COSMETIC PROCEDURES. NOT FOR HUMAN OR ANIMAL CONSUMPTION.

For Reference Only
