

## Interleukin 1 Receptor Type II (IL1R2) Antibody

Catalogue No.: abx234243

WB analysis of HeLa cells, using IL1R2 antibody (1/1000 dilution).

IL1R2 Antibody is a Mouse Monoclonal against IL1R2.

|                               |                                                                                                                  |
|-------------------------------|------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Interleukin 1 Receptor Type II (IL1R2)                                                                           |
| <b>Clonality:</b>             | Monoclonal                                                                                                       |
| <b>Reactivity:</b>            | Human, Mouse                                                                                                     |
| <b>Tested Applications:</b>   | ELISA, WB, IF/ICC                                                                                                |
| <b>Host:</b>                  | Mouse                                                                                                            |
| <b>Recommended dilutions:</b> | WB: 1/500 - 1/2000, IF/ICC: 1/20 - 1/200. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                                                                     |
| <b>Immunogen:</b>             | interleukin 1 receptor, type II                                                                                  |
| <b>Isotype:</b>               | IgG <sub>1</sub>                                                                                                 |
| <b>Form:</b>                  | Liquid                                                                                                           |
| <b>Purity:</b>                | ≥ 95% (SDS-PAGE)                                                                                                 |
| <b>Purification:</b>          | Purified by Protein A and Protein G affinity chromatography.                                                     |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                                   |
| <b>Validity:</b>              | 12 months.                                                                                                       |

# Datasheet

Version: 2.0.0

Revision date: 09 Apr 2025

**Gene Symbol:** IL1R2

**GeneID:** [7850](#)

**KEGG:** hsa:7850

**String:** [9606.ENSP00000330959](#)

**Molecular Weight:** Observed MW: 45 kDa

**Buffer:** PBS, pH 7.3, with 0.02% sodium azide and 50% glycerol.

**Concentration:** 2 mg/ml

**Note:** THIS PRODUCT IS FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC, THERAPEUTIC OR COSMETIC PROCEDURES. NOT FOR HUMAN OR ANIMAL CONSUMPTION.

For Reference Only
