

## Tetratricopeptide Repeat Protein 9C (TTC9C) Antibody

Catalogue No.: abx026133

The specific function of the protein remains unknown.

**Target:** Tetratricopeptide Repeat Protein 9C (TTC9C)

**Clonality:** Polyclonal

**Reactivity:** Human

**Tested Applications:** ELISA, WB, IHC, FCM

**Host:** Rabbit

**Recommended dilutions:** WB: 1/1000, IHC-P: 1/50 - 1/100, FCM: 1/10 - 1/50. Not tested in IHC-F. Optimal dilutions/concentrations should be determined by the end user.

**Conjugation:** Unconjugated

# Datasheet

Version: 2.0.0  
Revision date: 25 Sep 2025

|                            |                                                                                                                                            |
|----------------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Immunogen:</b>          | KLH-conjugated synthetic peptide between 1-30 amino acids from the N-terminal region of human TTC9C.                                       |
| <b>Isotype:</b>            | IgG                                                                                                                                        |
| <b>Form:</b>               | Liquid                                                                                                                                     |
| <b>Purification:</b>       | Purified through a protein A column, followed by peptide affinity purification.                                                            |
| <b>Storage:</b>            | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                                                             |
| <b>UniProt Primary AC:</b> | Q8N5M4 ( <a href="#">UniProt</a> , <a href="#">ExPASy</a> )                                                                                |
| <b>Gene Symbol:</b>        | TTC9C                                                                                                                                      |
| <b>KEGG:</b>               | hsa:283237                                                                                                                                 |
| <b>String:</b>             | <a href="#">9606.ENSP00000325266</a>                                                                                                       |
| <b>Molecular Weight:</b>   | Calculated MW: 20 kDa                                                                                                                      |
| <b>Buffer:</b>             | PBS containing 0.09% sodium azide.                                                                                                         |
| <b>Specificity:</b>        | Predicted to react with Mouse, Rat and Monkey TTC9C.                                                                                       |
| <b>Note:</b>               | THIS PRODUCT IS FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC, THERAPEUTIC OR COSMETIC PROCEDURES. NOT FOR HUMAN OR ANIMAL CONSUMPTION. |
