

## Ras-Related C3 Botulinum Toxin Substrate 2 (RAC2) Antibody

Catalogue No.: abx237068

WB analysis of HL-60 cells, using RAC2 antibody (1/600 dilution).

RAC2 Antibody is a Rabbit Polyclonal against RAC2.

|                               |                                                                                            |
|-------------------------------|--------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Ras-Related C3 Botulinum Toxin Substrate 2 (RAC2)                                          |
| <b>Clonality:</b>             | Polyclonal                                                                                 |
| <b>Reactivity:</b>            | Human, Mouse                                                                               |
| <b>Tested Applications:</b>   | ELISA, WB                                                                                  |
| <b>Host:</b>                  | Rabbit                                                                                     |
| <b>Recommended dilutions:</b> | WB: 1/500 - 1/2000. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                                               |
| <b>Immunogen:</b>             | ras-related C3 botulinum toxin substrate 2(rho family, small GTP binding protein Rac2)     |
| <b>Isotype:</b>               | IgG                                                                                        |
| <b>Form:</b>                  | Liquid                                                                                     |
| <b>Purity:</b>                | ≥ 95% (SDS-PAGE)                                                                           |
| <b>Purification:</b>          | Purified by immunogen affinity chromatography.                                             |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                             |
| <b>Validity:</b>              | 12 months.                                                                                 |
